ANIMAL RESCUE

Providing love, care and shelter for homeless dogs since 2001

Update from the President of SoCo

Dear SoCo Friends and Supporters,

I hope this newsletter finds you well and that you are enjoying the final weeks of summer. Last month, SoCo Rescue hit yet another speed bump. The Department of Agriculture (DOA) put SoCo Rescue under a "Stop Order" because our drainage system needed to be repaired and it was a costly repair. A stop order means that we are not able to help any other dogs until it is lifted, which is heartbreaking. Thankfully when a plea for help went out on our social media pages, our generous supporters responded. ♥

We are pleased to report that we reached our financial goal and made the necessary repairs to the drainage system & the "Stop Order" has been lifted!

Because of your generosity and empathy, SoCo Rescue can move forward and focus on our passionate work to protect our beloved dogs and puppies. We are grateful that we achieved our goal & love the fact that our Alumni now want to help in their own way. JoJo and June's parents held a hockey tournament fundraiser, Dozer and Puddin's family are running a rummage sale, and Scooter's mom is hosting a Pampered Chef Fundraiser.

We value your support and embrace your compassionate spirit. Financially it is a constant struggle running a dog rescue, costs are skyrocketing, adoptions are at an all time low but as we have said before "we will find a way", closing our doors is not an option.

Please consider donating to SoCo, so that we may further our mission to protect and care for our beloved dogs. If you are looking for ways to help, we invite you to check out our social media pages and SoCo's official website: <https://www.socorescue.com/>

On behalf of SoCo, we thank you!

Scott Bennett
